Note: Experiences in French

Schedule

13:00: Meet at Sion Train Station

A train arrives from Lausanne at 13:56 (Departure from Lausanne: 11:50).

13:20: [ARcheoSion](#)

Explore the funeral church of Sous-le-Scex through augmented reality with the ARcheoSion app. This 3D experience allows you to walk through the monumental 5th-century church and its historical relics.

15:00: VR Escape Game: "[SION XVème](#), Le Serviteur de la Rédemption"

Immerse yourself in a thrilling virtual reality adventure set in 15th-century Sion. Solve puzzles and interact with historical characters in this unique escape game. (Limited to 2 groups of 8 participants)

17:00: End of Activities

Frédéric Kaplan (President of the Time Machine Organisation)

Sander Münster (Secretary of the Time Machine Organisation)
